Draw a picture following the paragraph below.

In the picture, a cute cat is sitting on a soft pillow. There is a little mouse hiding under the table. A colorful ball is between the chair and the couch. Outside the window, a beautiful bird is flying above the tree. The cat's bowl is next to the pillow. A toy car is behind the door, and a funny clown is standing in front of the chair. Another tiny mouse is peeking out from behind the curtains. All these things are in the cozy living room.
